- Ask 1 student to submit assignment
- Mark one assignment
- Check who did not submit assignment

Using Quiz Tool

AIKEN format questions

1. The **question** must be all on one line.
2. Each answer must start **with** a single uppercase letter, followed by a period "." or a right parenthesis ")", then a space.
3. The answer line must immediately follow, starting **with** "ANSWER: " (**with** a space after the colon) and then give the letter for the correct answer
4. Save as .txt

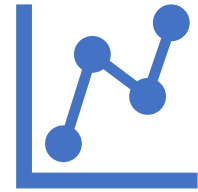

Task 5 (20 minutes)

- Create 1 quiz by inserting 2 types of questions:
 - 1 Multiple choice questions
 - 1 Word drag and drop question
 - The full mark is 5 marks. (2.5 marks for each question)
 - Set deadline for the quiz
- Create 2 questions using AIKEN format.
- Create 1 quiz using Imported AIKEN format in Question Bank.

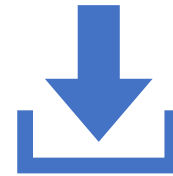

Management of logs

Identify types of logs

Analyze students'
participation using logs

Download logs

Task 6

- Identify what type of logs available?
- Who participated the most?
- Which module was visited the most?
- Where to view all the graded activities in your course?
- Download your logs

Thank you!
